

## Flight emissions 2011-12

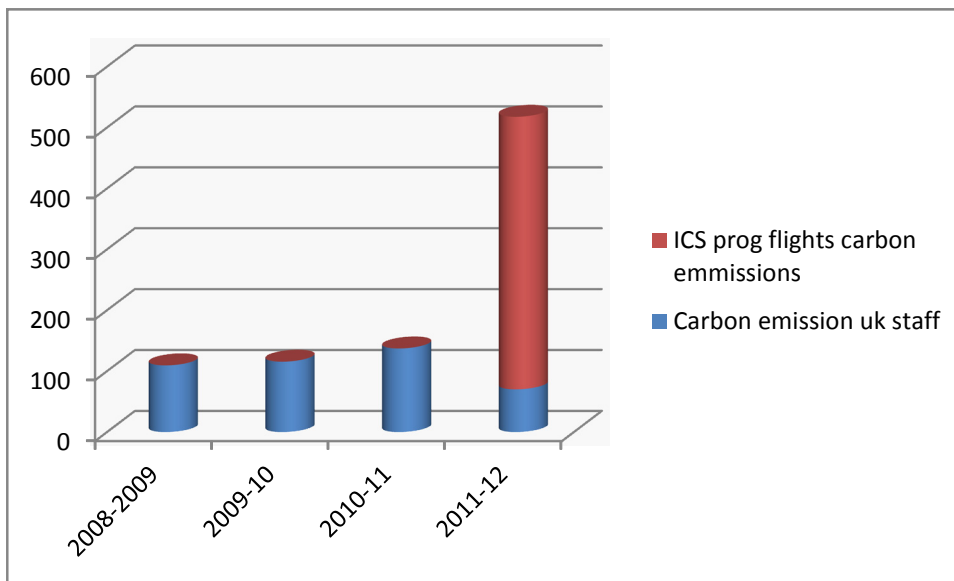

### Notes:

<sup>1</sup> ICS (International Citizen Service) is a UK government funded development programme. Progressio is one of a consortium of UK development organisations delivering the programme. Under the pilot phase of the ICS programme during 2011-12, Progressio organised return flights for young adult volunteers from the UK to El Salvador, Malawi and Peru.

<sup>2</sup> International flights taken by UK-based Progressio staff.
